Ebony Cloth Interior interior, Boasting an exceptionally low mileage for its age, this 2016 Ford Grand C-Max TDCi Zetec presents a superb opportunity. With only two previous owners and a modest 71,900 miles on the clock, this versatile 7 seater is powered by an efficient 1.5L diesel engine. It meets the Euro 6 emission standard, contributing to its impressive fuel economy of up to 64 miles per gallon. The Zetec trim level ensures a comfortable and convenient driving experience, enhanced by features such as manual air conditioning, rear parking sensors for easier manoeuvring, and the Ford DAB Audio System with SYNC, which includes Bluetooth connectivity for seamless phone integration.

This particular Grand C-Max stands out due to its excellent fuel efficiency and low CO2 emissions, indicating it is a more economical choice compared to many similar vehicles. The combination of its practical 7 seat layout, low running costs, and user friendly technology makes it an ideal family car. Its well maintained provenance, evidenced by the low mileage and limited ownership, suggests a vehicle that has been carefully looked after.
