Ebony Cloth Interior interior, This 2020 Ford Transit Custom offers exceptional value with its remarkably low mileage of just 56,000 miles for its age. As a 2.0 300 EcoBlue Limited Crew Van Auto L1 H1 Euro 6 model, this vehicle combines practicality with comfort. It features a robust 2.0L diesel engine delivering a powerful 168 bhp, ensuring ample performance for any task. The Limited trim level includes desirable features such as front manual air conditioning for a pleasant cabin environment, and Seat Pack 25 which incorporates heated driver and passenger seats for enhanced comfort during colder journeys. Furthermore, parking is made easier with front and rear parking aids, complemented by front fog lamps.

This Transit Custom stands out with its Euro 6 emission classification, indicating lower CO2 emissions compared to older models. The inclusion of heated seats and front and rear parking sensors are significant advantages that elevate the driving experience and convenience. These features, combined with the vehicle's strong engine output and low mileage, present a compelling package for those seeking a reliable and well equipped crew van.
