Ebony Cloth Interior interior, This 2016 Ford Mondeo TDCi Titanium is a practical and well-maintained saloon that has covered just 50,000 miles from new. With only two previous owners, this vehicle offers a reliable history for its next driver. Under the bonnet, it features a 1.5-litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations.

The vehicle is designed for efficiency and ease of use, boasting an impressive fuel economy of 79 mpg and low CO2 emissions, which helps to keep running costs manageable. Practicality is a key strength, as the car provides a large boot space suitable for luggage or shopping. Technology is integrated throughout, including the SYNC 3 system with an 8-inch colour touchscreen, Bluetooth, voice control, and USB connectivity. Comfort and convenience are prioritised with dual-zone electronic automatic temperature control, a keyless entry and start system, and front and rear parking sensors with parking assistance. Safety and driver support are further enhanced by the lane keeping aid, traffic sign recognition, and automatic headlights.
