Ebony Cloth Interior interior, The 2018 Ford Transit Custom 2.0 TDCi 290 Limited L1 H1 is a practical and reliable commercial vehicle designed to meet a variety of transport needs. This specific model features the Limited trim level, which provides a balance of comfort and utility for daily operations. Powered by a 2.0 litre diesel engine, this van is built to handle demanding workloads while maintaining consistent performance. As a Euro 6 compliant vehicle, it meets current emission standards, making it a suitable choice for driving in urban areas with low emission zones.

Choosing this Limited variant offers distinct advantages over standard models, as it is equipped with a higher level of specification that enhances the overall driving experience. The 2.0 TDCi engine is engineered to provide efficient power delivery, ensuring that the vehicle remains capable whether it is fully loaded or empty. The L1 H1 configuration offers a practical load space that is easy to access, while the five door layout adds convenience for loading and unloading goods. This combination of engine efficiency, modern emission compliance, and the well-appointed Limited trim makes this Transit Custom a dependable option for those seeking a capable and well-equipped work vehicle.
