Grey Cloth Upholstery interior, The 2022 Ford Transit Custom 2.0 300 EcoBlue Limited L1 H1 is a practical and well-equipped commercial vehicle designed to handle daily tasks with ease. This 5-door model features a 2.0-litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. As a Limited trim variant, it offers a balance of functionality and comfort, making it a suitable choice for those who need a reliable work vehicle that does not compromise on essential specifications.

This vehicle stands out due to its combination of efficiency and driver-focused technology. It achieves a fuel economy of 45 mpg, which helps manage running costs effectively, while offering a substantial payload weight of 1085 kg for transporting goods. The driving experience is enhanced by the Visibility Pack, which includes automatic headlights with a follow-me-home function, and the ICE Feature Pack 21, providing Bluetooth connectivity. Comfort is prioritised through Seat Pack 25, which includes heated seats, and manoeuvring is made simpler with the inclusion of both front and rear parking sensors. These features collectively provide a more convenient and comfortable environment compared to standard commercial vans.
