Transmission:	**Automatic**	Colour:	**Agate Black (Premium Paint)**
Mileage:	**51120 miles**	Body:	**5 door Hatchback**

Ebony Leather Interior interior, This 2017 Ford Mondeo TDCi Vignale offers a refined driving experience, combining the practicality of a well-established saloon with the premium touches of the Vignale trim. Having covered only 50,000 miles from new, this vehicle has been maintained by just two owners, reflecting a careful history. Under the bonnet, it features a 2.0-litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations while delivering a capable performance, including an acceleration from 0 to 62mph in 8.6 seconds.

The interior is designed with comfort and convenience in mind, setting it apart through a suite of thoughtful features. Passengers in the rear benefit from independent manual air conditioning, while both the driver and front passenger enjoy variable heated seats and a heated steering wheel for colder days. Visibility is enhanced by Ford LED adaptive headlamps, which include automatic activation and high-low beam control to assist in varying light conditions. Beyond these technological additions, the vehicle provides a large boot space, making it a practical choice for those who require significant luggage capacity without compromising on comfort or style.
